All the Way

Ratt

I can't believe it's never crossed your mind
That I'm always the last you call at night
Never gonna believe a word you say
You got hell to pay
This was meant to be
I'll make ya scream and shout
Yeah you know I like it loudLet's go all the way
Step by step I'm movin forward
Let's go all the way
Someone like you is gonna make me crazyI still get this feelin deep inside
You know it's something that I just can't hide
Now you know it's something worth waiting for
I'm gonna nail ya to the floor
You can show me, but I will live to tell
You can take me home tonight
Let's go all the way
Step by step I'm movin forward
Let's go all the way
Someone like you is gonna make me crazy
Let's go all the way
Maybe by numbers colors baby
Let's go all the way
I gotta have you or I'll go crazy
Why, yeah, your cryin, yeah, yeahThis was meant to be
I'll make ya scream and shout
Yeah you know I like it loudLet's go all the way
Step by step I'm movin forward
Let's go all the way
Someone like you is gonna make me crazy
Let's go all the way
Let's go all the way
Maybe by numbers colors baby
Let's go all the way
I gotta have you or I'll go crazy
Why, yeah, your cryin
Let's go all the way
Let's go all the way
Let's go all the way
Let's go all the way
