

# One Night

Ed Sheeran

Lying in a bedroom  
Lighting up a Benson  
Face hair is growing  
So I cut with a vengeance  
Hey, did I mention  
As she makes an entrance  
Said I had a tendency  
To finish off a sentence  
Oh well, she's a local girl  
No make-up  
Cos she knows me well  
Hair tied up in elastic band  
With a kiss on the cheek  
For her one-night man  
Is it fast food  
I'll regret it after  
And I needed money  
But I'm too shy to ask her  
So she buys me chips and cheese  
And I tell her I love her  
And she's all I need  
I take it with a cold glass  
Of the fruit and the barley  
She's still a sucker for the  
Apple and Bacardi  
Heading to the party  
Sitting in the car seat  
B.E.P. on the radio  
It makes me feel naughty  
She knows me well  
Bit of a catch  
To have a local girl  
Hair tied up in elastic band  
With a kiss on the cheek  
For her one-night man  
I don't wanna go alone  
I don't wanna go alone  
Tell her that I love her  
Tell her that I need her

Tell her that she's more  
Than a one-night stand  
Tell her that she turns my cheeks  
The colour of my hair  
All I wanna do is be near  
Tell her that I want her  
Tell her that I need her  
Tell her that she's more than a one-night stand  
Tell her that I love her  
More than anyone else  
If you don't, then I'll tell her myself  
And we've got love in us  
So if the drink kill us  
We're gonna dance all night  
Till the floor fillers  
If we talk outside

I say I hate wasps too  
I don't really dance  
So I'll just watch you  
Are you taking me back tonight?  
Tell me if that's alright  
I don't wanna be here  
I'm not the sofa type  
Tell me if you have a toothbrush  
You don't mind sharing  
She said I wanna take off  
What you're wearing  
I don't wanna go alone  
I don't wanna go alone  
Tell her that I love her  
Tell her that I need her  
Tell her that she's more  
Than a one-night stand  
Tell her that she turns my cheeks  
The colour of my hair  
All I wanna do is be near  
Tell her that I want her  
Tell her that I need her  
Tell her that she's more  
Than a one-night stand  
Tell her that I love her  
More than anyone else  
If you don't, I'll tell her myself  
She's like the fast food

I'll regret it after  
And I needed money  
But I'm too shy to ask her  
But she buys me chips and cheese  
So I tell her that she's all I need  
Tell her that she's more  
Than a one-night stand  
Tell her that she turns my cheeks  
The colour of my hair  
All I wanna do is be near  
Tell her that she's more  
Than a one-night stand  
Tell her that I love her  
More than anyone else  
If you don't, I'll tell her myself  
Tell her that I love her  
Tell her that I need her  
That she's more  
Than a one-night stand  
Tell her that she turns my cheeks  
The colour of my hair  
All I wanna do is be near  
Tell her that I want her  
Tell her that I need her  
Tell her that she's more  
Than a one-night stand  
Tell her that I love her  
More than anyone else  
If you don't, I'll tell her myself
