Call The Shots (live from The O2)

Girls Aloud

Static tone on the phone I'll be breaking again
Must be something better, babe
All the names you called out of bed seem to fade
To sometime never plannedI won't cry for all the hunger in my heart, no
I won't cry because I've made it through this farJust coz you're raising the bet and call the shots now on me, ooh
It really doesn't phase me how you spend your time, ooh-oooh
Just coz you're raising the bet and call the shots now on me, ooh
It really doesn't phase me how you spend your time, ooh-ooohOut of the fire that burns inside me
A phoenix is rising
If you don't feel that you can love me
I won't shoot you downI won't cry for all the hunger in my heart, no
I won't cry because I've stumbled through this farJust coz you're raising the bet and call the shots now on me, ooh
It really doesn't phase me how you spend your time, ooh-oooh
Just coz you're raising the bet and call the shots now on me, ooh
It really doesn't phase me how you spend your time, ooh-ooohI've seen life burn bright, I've seen it shimmer
They fade like starlight to a glimmer
I've seen life flow by, like a river
So full of twilight, dreams that glitterJust coz you're raising the bet and call the shots now on me, ooh
It really doesn't phase me how you spend your time, ooh-oooh
Just coz you're raising the bet and call the shots now on me, ooh
It really doesn't phase me how you spend your time, ooh-oooh
