

Free Drinks

Ringo Starr

Monday is here and I'm feeling no pain
Easy jet ticket to take me to Spain
Captain, get your foot down
In two hours, I'll be there Tuesday, in love with a girl I don't know
Lost her that night in the Karma disco
I don't care, lovers are everywhere It's a good day for nothing at all
Bad day for taking a fall
It's a holiday, don't bother to call
Free drinks for one and for all
Free drinks, free drinks, free drinks Wednesday, I'm shopping in Juan Les Pins
Dressed to the nines, now, I'm dancing in Cannes
Can you stay with me in Saint-Tropez? Thursday, a suite at Saint Paul's Colombe D'or
Chagall's on the walls and her dress on the floor
A kiss goodbye, it's time for me to fly It's a good day for nothing at all
Bad day for taking a fall
It's a holiday, don't bother to call
Free drinks for one and for all
Free drinks, free drinks, free drinks
Free drinks 1, 2, 3, 4
Friday, I sleep, I'm not sure where I am
Saturday, Saturday, first class on American
To LA but only for one day
Now, it's Sunday
[Incomprehensible] Good day for nothing at all
It's a bad day for taking a fall
Holiday, don't bother to call
Free drinks for one and for all It's a good day to ram the hall
It's a bad day for climbing the walls
It's a holiday, don't bother to call
Free drinks for one and for all Good day for nothing at all
It's a bad day for taking a fall
Holiday, don't bother to call
Free drinks for one and for all Free drinks, free drinks, free drinks
Free drinks, free drinks, free drinks
Free drinks, free drinks
