

Old Hearts

Lakefield

Donâ€™t go, come on back and take me with you
Not sure of where youâ€™re going and where youâ€™re gonna be
I know itâ€™s not forever just for now but
Say so, you never know, you never know

Donâ€™t wait, it wonâ€™t be long before I follow
Your name, engraved upon the stone above your head
Youâ€™ll stay, underground and waiting for me
That dayâ€™s not far away, not far away

Old hearts, unpack your bags, youâ€™re never leaving
Under stars, waking up to sleep again
Donâ€™t ever leave, weâ€™re near the end

Your eyes are painted on the ghost that haunts me
Youâ€™re right that Iâ€™m not ready for the other side
Donâ€™t cry, Iâ€™m holding on for just tomorrow
In time, youâ€™re ever mine, youâ€™re ever mine, and

Old hearts, unpack your bags, youâ€™re never leaving
Under stars, waking up to sleep again
Donâ€™t ever leave, weâ€™re near the end

Old hearts, unpack your bags, youâ€™re never leaving
Under stars, waking up to sleep again
Donâ€™t ever leave, weâ€™re near the end
