Lover Please

Kinky Friedman

Lover please, please come back
Dont take that train goin down the track
Dont please dont, dont leave me
Dont you leave me here in miseryYou would never hold me so near
You would never call me dear
Dont you know, Id die for you
Now youre gone and thats what Ill doLover please, please come back
Dont take that train goin down the track
Dont please dont, dont leave me
Dont you leave me here in miseryWell, its an old, old story, not too long
About a love that went all wrong
Girl left the boy, oh, so bad
Now she gone and she oh, so sadLover please, please come back
Dont take that train goin down the track
Dont please dont, dont leave me
Dont you leave me here in miseryOh, lover please, please come back
Dont take that train goin down on the track
Dont please dont, dont leave me
Dont you leave me here in miseryLover please, please come back
Dont take that train goin down the track
Dont please dont, no dont leave me
Dont you leave me here in miseryLover please, please come back
Dont take that train goin down the track
Dont please dont, no dont leave me
Dont you leave me here in misery
