

# 33 3's

## Canibus

one, two, three...three

yo in linear terms my 33rd degree in the 3rd  
words'll give you 33rd degree burns  
first i write 33 lines to a verse about  
how i created the earth out of 33 works  
33 of my peers never thought it would work  
for 33 days i started my relentless research  
and i figured if jigga could do 22 2s  
as an MC then i could do 33 3s  
suddenly at the tour at 3:30 on march 3rd  
it came to me like gods word  
i started to load my 33 calibre mossberg  
went to the top of the empire state on 33rd  
33 gunshots was heard 33  
pedestrians lay wounded or dead on the kerb  
33 squad cars had rushed to the scene  
as soon as they heard some mad man had gone buzurk  
i demanded 33 million or i was gonna kill 33  
of the women and children in the building  
i gave em 33 minutes to respond then proceeded to arm  
my black pack nuclear bomb  
set the timer for 3 hours and 3 minutes long  
told em not to try nothin funny or i'd kill em all  
they still never responded till i saw 33  
of the swat team jump out of 3 helicopters  
i told em for the 3rd and final time  
if they cross the line again then i'd take 33 lives  
3 of the hostages started cryin  
3 of them started wildin im convinced  
3 more then started uprisin  
3 of em stood to they feet and started freestylin  
i didnt know what to do so i started rhymin  
i tried to kick 300 bars but i got picked off  
by a sniper from 33 yards  
the bullet hit me but it got lodged and ricocheted off  
3 organs 3 inches away from my heart  
my name went down in history as the illest MC  
rewindin and countin 33 3s
