Over and Over

George Baker & George Baker Selection

I walked to the sea to let the water over me
I walked to the sea to find myself a God
If God is not there tell me a place where he can be
Because I found out all the pearls are lockedOver, over and over
I'm searching for a dream
If there is someone who sees the light that I can see
Please take my hand and bring me to my dreamOver, over and over
I'm searching for a dream
If there is someone who sees the light that I can see
Please take my hand and bring me to my dream
Over, over and over
I'm searching for a dream
If there is someone who sees the light that I can see
Please take my hand and bring me to my dream
Please take my hand and bring me to my dream
Please take my hand and bring me to my dream
