

Hell Raisin' Good Time

Tim Hicks

Grew up in a goody little small town
Learned at college, bout booze and girls
Little money, big dreams and we hit the ground
Runnin' to the big bad world
Jump in head first, take the fast lane
If ya know what I'm sayin'

Lemme hear ya say
Yeah "yeah", yeah "yeah"
When it comes to livin' life
If it ain't broke, we gonna break it
If it ain't took, we gonna take it
If it ain't got, we gonna get it tonight
If it ain't sung, we gonna sing it
If it ain't drunk, we gonna drink it
We're hellbent on a hell raisin' good time

Don't worry bout what we did yesterday,
Don't care what tomorrow's gonna bring
Right here, right now's where we're gonna stay
So come on, if you're with me

Lemme hear ya say
Yeah "yeah", yeah "yeah"
Hell yeah 'till the day I die
If it ain't broke, we gonna break it
If it ain't took, we gonna take it
If it ain't got, we gonna get it tonight
If it ain't sung, we gonna sing it
If it ain't drunk, we gonna drink it
We're hellbent on a hell raisin' good time

Hell yeah 'till the day I die
Hell bent on a hell raisin' good time

Hell yeah 'till the day I die
Hell bent on a hell raisin' good time

Hell yeah 'till the day I die

Hell bent on a hell raisin' good time

Hell yeah 'till the day I die
Hell bent on a hell raisin' good time

If it ain't broke, we gonna break it
If it ain't took, we gonna take it
If it ain't got, we gonna get it tonight
If it ain't sung, we gonna sing it
If it ain't drunk, we gonna drink it
We're hellbent on a hell raisin' good time

YEAH

If it ain't broke, we gonna break it
If it ain't took, we gonna take it
If it ain't got, we gonna get it tonight
If it ain't sung, we gonna sing it
If it ain't drunk, we gonna drink it
We're hellbent on a hell raisin' good time
