

# Places to Go

## Yuna

I got, I got  
I got places to go  
Actin' like they feelin' my pain, my pain  
I got places to go  
I got, I got  
I got places to  
Actin' like they feelin' my pain, my pain  
I got places to go I feel like we should get together  
Then maybe I, I'll feel so much better  
And this rainy weather ain't helpin'  
Boys in leather jackets  
They are walkin' by  
Yeah they remind me  
How tiring love is  
I just wanna fly away and ignore this  
I just wanna call it quits, I'm a quick fix  
While he's out there taking his  
I just need someone to break this wall of bricks I've built So I wanna know  
What's the weather like in Toronto  
This time of the year  
It should be so cold  
But I just need another place to go  
'Cause I can't be here no more, no more I got, I got  
I got places to  
Actin' like they feelin' my pain, my pain  
I got places to go I feel like work is overbearing me  
And what is life when you are not even living?  
I am tired of it all, pleasing everyone I know  
'Cause when I do it, I don't know if it's worth it  
How tiring work is, yeah  
I just wanna fly away and ignore this  
Sometimes I wanna call it quits 'cause it's a business  
Everyone is making hits  
I just wanna take a break from everything that I've been So I wanna know  
What's the weather like in New York  
This time of the year  
It should be so cold  
But I just need another place to go  
'Cause I can't be here no more, no more

'Cause I wanna know  
What's the weather like in Kuala Lumpur  
This time of the year  
It's so beautiful  
I just need a place to call home  
'Cause I can't be here no more, no more  
Here no more, no more  
I got places to go  
Here no more (Actin' like they feelin' my pain, my pain)  
I got places to go  
I can't be here no more, no more, no more  
I got places to go  
Actin' like they feelin' my pain, my pain  
I got places to go
