

# Paper Romance (Kruse & Nuremberg Remix)

## Groove Armada

Taste it in the air so sweet  
Because they come alive  
My visions of the city street  
All of electrify I feel your heat  
I never wanna let you go  
I rock too this beat  
I'm standing here to let you know Yeah you can write me a love letter  
But there's nothing to say  
Don't wanna take a chance on your paper romance anyway  
Yea you can rub it off much better  
If you come away My golden heart beats for you  
My golden heart beats for two  
I feel my pain  
The time it takes  
For us to change  
It's gonna happen anyway I feel your heat  
I never wanna let you go  
I rock to this beat  
I'm standing here to let you know Yeah you can write me a love letter  
But there's nothing to say  
Don't wanna take a chance on your paper romance anyway  
Yea you can rub it off much better  
If you come away Yeah you can write me a love letter  
But there's nothing to say  
Don't wanna take a chance on your paper romance anyway Yeah you can write me a love letter  
But there's nothing to say  
Don't wanna take a chance on your paper romance anyway  
Yea you can rub it off much better  
If you come away
