I Keep Putting Off Getting Over You

Don Williams

I keep your picture on my dresser
I keep your pillow on the bed
I keep believing you still love me
I keep saying, you'll come back againI keep a light on in the window
I keep it burning day and night
I keep saying didn't mean it
When you said goodbyeOh, I keep putting off getting over you
'Cause that would be too hard to ever do
I just can't believe you and I are through
So I keep putting off getting over you
I know you told me to forget you
Said, "Go and find me someone else"
But I keep saying you're going to come back
So I keep living all by myselfOh, I keep putting off getting over you
'Cause that would be too hard to ever do
I just can't believe you and I are through
So I keep putting off getting over you
Oh, I keep putting off getting over you
'Cause that would be too hard to ever do
I just can't believe you and I are through
So I keep putting off getting over you
