

That's How We Do It In L.a.

Lindsey Buckingham

You'll win prizes if you stay,
'Cause that's how we do it in L.A.
C'est si bon, come what may,
That's how we do it in L.A.
Oh, hold on tight now, hold on to stay,
'Cause that's how we do it in L.A.
C'est si bon, que sera sera,
That's how we do it in L.A. It's a lonely, lonely, lonely, lonely, lonely place . . .
But it's the only, only, only, only, only place . . . You'll win prizes if you stay,
'Cause that's how we do it in L.A.
Oh hold on tight now, hold on to stay,
'Cause that's how we do it in L.A.
