

The Strange Museum

Paul Weller

Come on in - admissions free
I won't refuse - those who want to see
Bring your loved ones - those you hold dear
Bring them all - there's no restrictions here But don't look for blame - as an easy escape
There's nothing on show - that isn't your shame
So come on in - it's a small price to pay
And I won't refuse - those who've lost their way - Said it's strange.....
