

# I'd Be Broken

**Sophie Zelmani**

Darling, hold on my love  
Hold on to my touch  
a little bit more  
For all affection  
that I've grudged you  
For all loads I let you carry  
I owe you Ashamed to be someone  
who took you for granted  
Who took and demanded  
the whole of you So darling, hold on to my love  
Hold on to my touch  
a little bit more 'Cause I'd be broken  
I'd be broken  
I'd be broken, without you All the visions  
would mean nothing  
I need your touching  
getting to my soul So darling, hold on to my love  
Hold on to my touch  
a little bit more 'Cause I'd be broken  
I'd be broken  
I'd be broken, without you From now on, I'll always share  
my loving mind  
I'll put my heart into your soul  
I'll be tender, I'll defend for you  
I'll give it all, that belongs to you
