Boney M.

Ladies and Gentlemen, welcome aboard the starship Boney M
for our first passenger flight to Venus.Ready for count-down: 10,9,8,7,6,5,4,3,2,1 - ignition - lift off
Nightflight to Venus
Way out there in space
Nightflight to Venus
Our new fav'right placeNightflight to Venus
All systems are go
Nightflight to Venus
The sky is aglowLadies and Gentlemen, we've had a successful
take-off on this first Nightflight to Venus.
Our flying time will be 8 hours. We'll be travelling
at a speed of 2183 miles per second.Nightflight to Venus
Nightflight to VenusCaptain - unidentified object at 8 o'clock - 2 million miles away.
Stand by for emergency manoeuvre.
Object coming closer at the speed of light. We have 8 more seconds.
Change course by 4 point 6 degrees.
Order admitteted.Ladies and Gentlemen, in a few minutes we are going
to be landing on Venus, push the button on your left side,
the safety mechanism will do the rest for you.
We hope you enjoyed the world's first Nightflight to Venus,
have a good time there.
