Some People Never Know

[Paul Mccartney](#)

No one else will ever see
How much faith you have in me
Only fools would disagree that it's so
Some people never knowLike a fool, I'm faraway
Every night I hope and pray
I'll be coming home to stay and it's so
Some people never knowSome people can sleep at nighttime, believing that love is a lie
I'm only a person like you, love
And who in the world can be right, all the right time
I know I was wrong, make me right, rightSome people can sleep at nighttime, believing that love is a lie
I'm only a person like you, love
And who in the world can be right, all the right time
I know I was wrong, make me right, rightOnly love can stand the test
Only you outshine the rest
Only fools take second best, but it's so
Some people never knowOnly love can stand the test
Only you outshine the rest
Only fools take second best, but it's so
Some people never know
