

# Make a Mistake

[Brad Paisley](#)

You over think things  
You say what if we're not meant to be  
Well you know what so what  
Make a mistake with me Nobody goes through this life and does  
Everything perfectly  
We're all gonna fail so you might as well  
Make a mistake with me Sometimes baby when we take  
A chance that has this much at stake  
We look back and in hindsight  
What seemed wrong looks more like right So I say worst case we'll be left with  
Lots of good memories  
This chance we have well it's worth that  
So make a mistake with me
