

# Beds Are Burning

Koritni

Out where the river broke  
The blood wood and the desert oak  
Holden wrecks and boiling diesels  
Steam in forty five degreesThe time has come  
To say fair's fair  
To pay the rent  
To pay our shareThe time has come  
A fact's a fact  
It belongs to them  
Let's give it backHow can we dance when our earth is turning?  
How do we sleep while our beds are burning?  
How can we dance when our earth is turning?  
How do we sleep while our beds are burning?The time has come  
To say fair's fair  
To pay the rent, now  
To pay our shareFour wheels scare the cockatoos  
From Kintore East to Yuendumu  
The western desert lives and breathes  
In forty five degreesThe time has come  
To say fair's fair  
To pay the rent  
To pay our shareThe time has come  
A fact's a fact  
It belongs to them  
Let's give it backHow can we dance when our earth is turning?  
How do we sleep while our beds are burning?  
How can we dance when our earth is turning?  
How do we sleep while our beds are burning?The time has come  
To say fair's fair  
To pay the rent, now  
To pay our shareThe time has come  
A fact's a fact  
It belongs to them  
We're gonna give it backHow can we dance when our earth is turning?  
How do we sleep while our beds are burning?
