

# The Waitress

## Bouzouki Kings

So I want to kill this waitress  
She's worked here a year longer than I  
If I did it fast, you know it's an act of kindness  
But I believe in peace  
I believe in peace, bitch  
I believe in peace  
But I believe in peace  
I believe in peace, bitch  
I believe in peace  
I want to kill this waitress  
I can't believe this violence in mind  
And is her power all in her club sandwich  
But I believe in peace  
I believe in peace, bitch  
I believe in peace  
But I believe in peace  
I believe in peace, bitch  
I believe in peace  
I want to kill this killing wish  
They're too many stars and not enough sky  
Boys all think she's living kindness  
Ask a fellow waitress, ask a fellow waitress
