Restore To Me

Third Day

Restore to me the joy of salvation
Renew Your spirit in me, oh Lord
Restore to me Your glory and power
Renew me, revive me, refresh me
Oh Lord

Restore to me the joy of salvation
Renew Your spirit in me, oh Lord
Restore to me Your glory and power
Renew me, revive me, refresh me
Oh Lord

My heart is fixed on You
I wonâ€™t faint, I wonâ€™t faint
My life Lord is in You
I trust You, only You

In weakness Your strength is
Made perfect, so perfect
Strong tower, my refuge
I trust You only You

Restore to me the joy of salvation
Renew Your spirit in me, oh Lord
Restore to me Your glory and power
Renew me, revive me, refresh me
Oh Lord

Iâ€™m restored in Your presence
Iâ€™m renew in Your presence
Iâ€™m revived in Your presence
Do it, Lord, do it, Lord, do it, Lord
