

# New York New York

## Brave Combo & Tiny Tim

Start spreading the news  
I'm leaving today, I want to be a part of it  
New York, New YorkThese vagabond shoes are longing to stray  
And make a brand new start of it  
New York, New YorkI want to wake up in the city that never sleeps  
To find I'm king of the hill, top of the heap  
These little town blues are melting awayI'll make a brand new start of it in old New York  
If I can make it there, I'll make it anywhere  
It's up to you, New York, New YorkI want to wake up in the city that never sleeps  
To find I'm king of the hill, top of the heap  
These little town blues are melting away  
I'll make a brand new start of it in old New York  
If I can make it there, I'll make it anywhere  
It's up to you, New York, New York
