## **Safety Dance**

## **Men Without Hats**

We can dance if we want to

We can leave your friends behind

'Cause your friends don't dance and if they don't dance

Well they're, no friends of mineSay, we can go where we want to

A place that they will never find

And we can act like we come from out of this world

And leave the real one far behindAnd we can dance, dansezWe can go when we want to

The night is young and so am I

And we can dress real neat from our hats to our feet

And surprise them with a victory crySay, we can act if we want to

If we don't nobody will

And you can act real rude and be totally removed

And I can act like an imbecileAnd sayWe can dance, we can dance

Everything's out of control

We can dance, we can dance

We're doing it from pole to poleWe can dance, we can dance

Everybody look at your hands

We can dance, we can dance

Everybody's taking the chanceIt's a safety dance

Oh well it's safe to dance

Yes it safe to danceWe can dance if we want to

We've got all your life and mine

As long as we abuse it, never going to lose it

Everything will work out rightI say, we can dance if we want to

We can leave your friends behind

'Cause your friends don't dance, and if they don't dance

Well they're no friends of mineI say, we can dance, we can dance

Everything's out of control

We can dance, we can dance

We're doing it from pole to poleWe can dance, we can dance

Everybody look at your hands

We can dance, we can dance

Everybody's taking the chanceWell it's safe to dance

Yes it's safe to dance

Well it's safe to danceWell it's safe to dance

Yes it's safe to dance

Well it's safe to dance

Well it's safe to danceIt's a safety dance

Well it's a safety dance

Oh it's a safety dance Oh it's a safety dance Well it's a safety dance
