In Need Of A Miracle

New Radicals

Duu
Duu duu duu duu duu duu duu duu
Duu duu duu duu duu duu
Aaah
Oow
Looked for love in Memphis
Looked for love in Rome
Now that I finally got you
Just wanna take you home
Trying my best not to rush you
'Cause rush is ain't no fun
But are you breakin' the law
Lookin' out for a miracle
I think it's time you tell me where we stand
You've been takin' the love
You've been breakin' the law
You better start makin' the love
'Cause I'm in need of a miracle
You've been takin' the love
You've been breakin' the law
You better start makin' the love
'Cause I'm in need of a miracle
Aaah
Oow
Bedded a girl in Texas
And went all the way in Spokane
But I love you so much
Content to hold your hand
See I ain't in no hurry
I can't wait to be your man
Are you takin' the love?
Takin' the love
(Breakin' the law)
(Breakin' the law)
I think it's time you tell me where we stand
You've been takin' my love
You've been breakin' the law
You better start makin' the love
'Cause I'm in need of a miracle

You've been takin' my love
You've been breakin' my love
You better start makin' the love
'Cause I'm in need of a miracle
Aah
I think it's time you tell me where we stand

Uhh
Aaa
Ooo
Yea, yea
Aaa
Don't say
I took a train to Detroit
Now rode a plane to Memphis, yea
I've been all around this bad bad world
Just to find some tenderness
Takin' the love
You've been breakin' the law
You better start makin' the love
'Cause I'm in need of a miracle
Aaw
You've been takin' the love
You've been breakin' the law
You better start makin' the love
'Cause I'm in need of a miracle
(Aaa)
(Huh)
Took a train, eh
Took a train to New York
And then I drove into Chicago
Yeah, I've been all around this mean mean world
Just tryin' to find a heart of gold
Takin' the love
(Oow)
You've been breakin' the law
You better start makin' the love
'Cause I'm in need of a miracle
(Huh)
(Yea ya)
You've been takin' the love
(Haa ha, ha ha ha, haa)
You've been breakin' the low
(Haa ha, ha ha ha, haa)
You better start makin' the love

(Haa ha,ha ha, ha haa)
Ho, uu, how, ya, aah
You've been takin' the love
(Haa ha, ha ha ha, haa)
You've been breakin' the love
(Haa ha, ha ha ha, haa)
You better start makin' the love
(Haa ha, ha ha ha, haa)
