

Never Stop (Live At Royal Albert Hall 1984)

Echo & The Bunnymen

Good God, You said, is that the only thing You care about?
Splitting up the money and share it out
The cake's being eaten straight through the mouth
Poison, poised to come back in season
For all the ones who lack reason Measure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love You found must never stop The king is dead and long live the people who aim above
All the simple stuff never understood
Like right from bad and wrong from good
Deny that You were ever tempted by the lie
That there's an answer in the sky Measure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love You found must never stop Oh, oh, oh, oh
Oh, oh, oh, oh N-n-never stop, n-n-never stop, n-n-never stop
N-n-never stop, n-n-never stop, n-n-never stop
N-n-never stop, n-n-never stop, n-n-never stop
Never stop Measure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love You found must never Measure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love You found must never stop Never stop, never stop, never stop
Never stop, never stop, never stop
