Expert With Altimeter

North Atlantic Oscillation

How long have we been suspended here?
Where road is filamentTime's only another tourist now,
An everlasting teaseClamour-song of hearts and screaming gulls
Is all beneath our prowWe travel by photographic nest
With no device requiredOoh so remain
Retreat
To you
Who made us chooseHow long have we been suspended here?
Where road is filament
And no longer makes sense
Time's only another tourist now,
An everlasting tease
Bottle this thing pleaseClamour-song of hearts and screaming gulls
Is all beneath our prow
We escaped somehowOoh so remain
Retreat
To you
Who made us chooseHow long have we been suspended here?
Where road is filament
And no longer makes senseTime's only another tourist now,
An everlasting tease
Bottle this thing please
Clamour-song of hearts and screaming gulls
Is all beneath our prow
We escaped somehowWe travel by photographic nest
With no device required
