

Not of This Earth

Angry Samoans

Strange being in a distant land
I look up there's a hole in my hand
and it really hurts! Step down, look at the curse
I'm not - OF THIS EARTH! Three knocks at my door
come in I don't care what for
I need blood can barely breathe
I'll buy your vacuum but you'll never leave cause--
I'll put your head in a milkbottle! Bend down! look at the curse!
I'm not OF THIS EARTH!
