

I'm Not Breakin'

[Steve Holy](#)

(John Foster/Marc Christian) It's torture, baby
I can look but I can't touch
I'm going crazy
'Cause I used to have your love
Now he has you, and it kills me
I'm still needin' you so much I won't give up on you
Though I hurt like I do
My heart's broke
But don't be mistaken
I'm not breakin'
I'm not breakin' I'll keep on waitin'
Just in case you change your mind
A chance worth takin'
Just to hold you one more night
My weakness, I'm your fool
I'd take you back a hundred times
