

# Baby I Want You

[Amos Lee](#)

Baby I want you, baby I want you  
Baby I do  
Darling I love you, darling I love you  
Know that it's true Don't leave me here out on my own  
Don't you know how I hate to be alone  
I just want to be a part of your home Baby I want you, baby I want you  
Baby I do  
Darling I love you, darling I love you  
Know that it's true Don't leave me here out in the cold  
Don't you know that it's your hand  
I wanna hold  
As these days fly past and unfold, hey Baby I want you, baby I want you  
Baby I do  
Darling I love you, darling I love you  
Know that it's true
