

# Triumphant

## Mariah Carey

TURNUPGet Em, Get Em, Get Em (Go)

Hit Em, Hit Em, Hit Em (Go)

Get Em, Get Em, Get Em (Go)

Hit Em, Hit Em, Hit Em (Go)

Get Em, Get Em, Get Em (Go)

Hit Em, Hit Em, Hit Em (Go)Meek Mill:They told me get em, I got em,

I swear this word to my father

And the only way to make it to the top

If you go and get it from the bottom

And I aint never asked for no hand outs

You wont carry me, no Mariah

These haters love when I was dead broke

But they aint made at me,

Im on fire and Im gon burn

And I aint gon learn,

I remember they said that it aint my turn

But it aint confirmed, then the tables turned

Just look at me now, try to hold me down

But I aint gon stop, cause Im gon climb

To the mountain top, to the mountain top, now let goMariah Carey:Cant fall down stay triumphant keep on  
living

Stay on your toes

Get off the ropes

Dont let em ever count you out

Realize all things are possible

In your heart whos the greatest

Reach for the stars

Be all that you are

And make em all fall downRick Ross:Path that I choose flashing cameras as I pose

Throwing big money as she dances on the pole

Lime green Lamborghini dances in the road

License still suspended, no I never stop for tolls

Born slick talker, twice a week shopper

Blow a hundred wreck she dont know a footlocker

Red bottom boss house big as Baltimore

With a blonde bombshell tryin to bomb with your boy

In the James Bond Beamer chrome wheel two seater

Smoking like Pimp C, spoken like a trill ni\*\*a

On a cloudy day baby I can make it rain

Rubber band, 50 grand bet it brighten up your day  
Came from humble beginnings  
Then was Hummers and Benzes  
Now its hundred and millions this is only the beginning  
A don, a diva, the bomb achiever  
The one believer, the game gets deeper  
Mariah Carey: Cant fall down stay triumphant keep on living  
Stay on your toes  
Get off the ropes  
Dont let em ever count you out  
Realize all things are possible  
In your heart whos the greatest  
Reach for the stars  
Be all that you are  
And make em all fall down  
Get Em, Get Em, Get Em (Go)  
Hit Em, Hit Em, Hit Em (Go)  
Get Em, Get Em, Get Em (Go)  
Hit Em, Hit Em, Hit Em (Go)  
Get Em, Get Em, Get Em (Go)  
Hit Em, Hit Em, Hit Em (Go)  
Get Em, Get Em, Get Em (Go)  
Hit Em, Hit Em, Hit Em (Go)  
Cant fall down now, so even when clouds surround you  
And everyone seems to doubt you  
Baby still know who you are  
So you gotta keep on climbing  
In spite of the chains that bind you  
You can see the mountain top  
Its not too far  
Cant fall down stay triumphant keep on living  
Stay on your toes  
Get off the rope  
Dont let em ever count you out  
Realize all things are possible  
In your heart whos the greatest  
Reach for the stars  
Be all that you are  
And make em all fall down (Repeat)
