Tell Me

Goldfinger

Tell me what it's like to be with you
Remind me of the things we use to do
And tell me that this time will never end
Tell me what it's like, tell me again
Everytime you stay
It never feels quite the same
And everytime you go
It hurts a way you'll never know
I guess your stories
Make me feel like it's alright now
Tell me what it's like to be with you
Remind me of the things we used to do
And tell me that this time will never end
Tell me what it's like, tell me again
Everything I fear
Shows itself everytime you're here
And everything I know
(Everything I know)

Leaves with you everytime that you go
I wish your stories
Could erase all the things that I said
So tell me what it's like to be with you
Remind me of the things we use to do
And tell me that this time will never end
Tell me what it's like, tell me again
You look that way
(You look that way)
Don't wanna see you look that way
You talk that way
(You talk that way)
Don't wanna feel this way
So tell me what it's like to be with you
Remind me of the things we use to do
And tell me how this time will never end
Tell me what it's like, tell me again
