

Put a Little Love In Your Heart

KIDZ BOP Kids

Think of your fellow man
Lend him a helping hand
Put a little love in your heart You see it's getting late
Oh, please don't hesitate
Put a little love in your heart And the world will be a better place
And the world will be a better place
For you and me, you just wait and see Another day goes by still the children cry
Put a little love in your heart
If you want the world to know
We won't let hatred grow
Put a little love in your heart And the world will be a better place
(And the world)
All the world will be a better place
(All the world)
For you and me
(For you and me)
You just wait and see, wait and see
(Just wait) Take a good look around
And if you're feeling down
Put a little love in your heart
I hope when you decide
Kindness will be your guide
Put a little love in your heart And the world will be a better place
(And the world)
And the world will be a better place
(And the world)
For you and me
(For you and me)
You just wait and see
(Just wait) People, now put a little love in your heart
Each and every day
Put a little love in your heart
There's no other way Put a little love in your heart
It's up to you
Put a little love in your heart
C'mon and Put a little love in your heart
