

# We're All Water

[John Lennon](#)

There may not be much difference  
Between Chairman Mao and Richard Nixon  
If we strip them naked  
There may not be much difference  
Between Marilyn Monroe and Lenny Bruce  
If we check their coffins  
There may not be much difference  
Between White House and Hall of People  
If we count their windows  
There may not be much difference  
Between Raquel Welsh and Jerry Rubin  
If we hear their heartbeat  
We're all water from different rivers  
That's why it's so easy to meet  
We're all water in this vast, vast ocean  
Someday we'll evaporate together  
There may not be much difference  
Between Eldridge Cleaver and Queen of England  
If we bottle their tears  
There may not be much difference  
Between Manson and the Pope  
If we press their smile  
There may not be much difference  
Between Rockefeller and you  
If we hear you sing  
There may not be much difference  
Between you and me  
If we show our dreams  
We're all water from different rivers  
That's why it's so easy to meet  
We're all water in this vast, vast ocean  
Someday we'll evaporate together  
What's the difference?  
What's the difference?  
There's no difference  
There's no difference  
What's the difference?  
What's the difference?
