I'll Always Love You (But Don't Look Back)

Imagination

I sing this song for you, please listen,
it's the only way I can speak to you,Let your feelings stay so hidden,
now you telling me: we're thruI don't believe what I hear,
I just can't work it out.
I gave you all I had,
no questions, no doubts.through the door, kissed my cheek,
waved her hand.
In the distince she cried out:
please don't take the blame.I'll always love you,
she said: dont look back,
don't look back,
don't look back on me.It hurts me more than it hurts you,
she said:
don't look back,
don't look back,
don't look back,
pleaseI have the need, so do you.
But why this way?
Why this way?
Running just won't do.How could this happen?
I can't explain
to think it feeled so good,
now it turned to painI'll always love you
she said:
don't look back,
don't look back,
don't look back on meit hurts me more than it hurts you,
she said:
don't look back,
don't look back,
don't look back on me.I have the need, a strong need for you girl.
Don't look back,
don't look back,
don't look back on me.
I'll always love you
Don't look back,
don't look back,
don't look back , please
don't look back,

please...
please...
