She Dances with My Heart

AP Mauro

Sheâ€™s got God in her pocket halos for two eyes  
Sheâ€™s sweet as cotton candy on the fourth of July  
She scratches our initials in the backyard dirt  
Then scuffs it with her sneakers, yea that girlâ€™s a flirt  
Golden drops of sunshine settle in her hair  
Her kisses bring me joy like the County fair  
She acts like sheâ€™s a rebel but I just donâ€™t care  
She dances with my heart

She likes cold Coca-Cola the sugar cane kind  
She offers me a sip but then she changes her mind  
She hangs out with the boys around the neighborhood  
But wears a dress as easy as a model would  
You can try to change her if youâ€™re one to dare  
But thatâ€™s been tried before so you best beware  
She acts like sheâ€™s a rebel but I just donâ€™t care  
She dances with my heart,

She dances with my heart, she dances with my heart,  
she dances with my heart, she dances with my heart

You can try to change her if youâ€™re one to dare  
But thatâ€™s been tried before so you best beware  
She acts like sheâ€™s a rebel but I just donâ€™t care, she dances with my heart  
She acts like sheâ€™s a rebel but I just donâ€™t care, she dances with my heart
