

# Heat of the Moment

## After 7

Advisory - the following lyrics contain explicit language:

There comes a time in every man's life  
You're gonna do wrong  
I made a mistake girl  
Just let me, just let me explain I can't believe it, although I did it  
I've never been that kinda man  
I must admit it, I wasn't with it  
But you were the best I've ever had Right now I'm going through some changes  
I've always thought I was a faithful kind of man  
I never thought I would be tempted  
Baby, you licked my lips and I said, "Right now, right now" In the heat of the moment  
Baby I lost my head, lost my mind, didn't know what to do  
In the heat of the moment  
Baby, I fell in lust with you  
I lost my head, lost my mind Now that I've done it, oh how I want it  
But I've got to be a stronger man, oh yeah  
I love my lady, and I can't lose my baby  
'Cause if she knew I'd lose everything I have Don't want to go through no more changes  
From now on I promise I will be a better man  
But here you are again temptin'  
Baby when you lick my lips, I said, "Right now, right now" In the heat of the moment  
Baby I lost my head, lost my mind, didn't know what to do  
In the heat of the moment  
Baby, I fell in lust with you In the heat of the moment  
Baby I lost my head, lost my mind, didn't know what to do  
In the heat of the moment  
Baby, I fell in lust with you Baby baby, you've got to, you've got to slow down, girl cool your heels  
From now on I promise I will be a better man  
Now, now I know that you know that we can't carry on like this  
Girl stop, just stop  
Baby when you kissed my lips, I said "Right now, right now" I, I lost my head  
I, I lost my head In the heat of the moment  
Baby I lost my head, lost my mind, didn't know what to do

In the heat of the moment  
Baby, I fell in lust with youIn the heat of the moment  
Baby I lost my head, lost my mind, didn't know what to do  
In the heat of the moment  
Baby, I fell in lust with youIn the heat of the moment  
Baby I lost my head, lost my mind, didn't know what to do  
In the heat of the moment  
Baby, I fell in lust with you
