

Emma's Song

Jazzjet

The first time I saw you

I loved you

I loved you

Your face blue

Your eyes too

Your mouth too

Your mouth too

When I heard you

I wanted to

Give birth to you

Give birth to you

I made love to you

I made love to you

The great goddess

Has us blessed

The last time I saw you

I fought with you

I fought with you

I didn't mean to

I didn't mean to

Oh, say you'll see me

Let me say sorry

The next time I see you

I'll love you

I'll be sweet to you

I'll take you to

My healing room

Oh, we both know

How loneliness goes

Every time I see you

I want you

I want you

The more I do

You hate me to

But the great goddess

Has us blessed
