Last Dance

OZMA

say hello to your last chance
same as your first chance
a kinder reminder from ozmasay hello to the new sound
same as the old sound
so spin it, get in it, and stayi knew that the night had an end soon in sight until you called my namesay hello
when you've spied her
sitting on the dryer
it's spinning, 9th inning, so playsay hello like a spider
weave a web right beside her
spin it, get in it, and prayi knew that the night had an end soon in sight until you called my name
i knew all along i was right but i'm wrong somehow you knew my nameafter the last dance, you lose your last chance
after the last dance, you lose your last chanceyou lose your last chance
you lose your last chanceyou've lost your last chance
