Green Into Gold

Angie Aparo

I am a cutting tool, I am a killing fool
And one day you, you're gonna be mine
I am a dirt machine and I will wipe clean
This jungle vineI am a burning ash, I am burning for cash
And one day you, you're gonna be mine
I am a dirt machine and I will wipe clean
This jungle vine I'll rip her from the sky
There'll be no more timber lineWe are turning green into gold
We are ripping roots from the soilI am the wall of pain and I will damn the rain
And one day you, you're gonna be mine
I am a dirt machine and I will wipe clean
This jungle vine I'll rip her from the sky
