Perfidia

The Ventures

Nadie comprende lo que sufro yo
Tanto que ya no puedo sollozar
Solo temblando de ansiedad estoy
Todos me miran y se vanTo you
My heart cries out Perfidia
For I find you, the love of my life
In somebody else's armsYour eyes are echoing Perfidia
Forgetful of the promise of love
You're sharing another's charmsWith a sad lament my dreams are faded like a broken melody
While the gods of love look down and laugh
At what romantic fools we mortals beAnd now
I find my love was not for you
And so I take it back with a sigh
Perfidia's won
GoodbyeWith a sad lament my dreams are faded like a broken melody
While the gods of love look down and laugh
At what romantic fools we mortals beAnd now
I find my love was not for you
And so I take it back with a sigh
Perfidia's won
Goodbye
Goodbye
