Forever Young

So They Say

May the good Lord be with you
Down every road you roam
And may sunshine and happiness
Surround you when you're far from homeAnd may you grow to be proud
Dignified and true
And do unto others
As you'd have done to youBe courageous and be brave
And in my heart you'll always stay
Forever YoungMay good fortune be with you
May your guiding light be strong
Build a stairway to heaven
With a prince or a vagabondAnd may you never love in vain
And in my heart you will remain
Forever young, forever young
And forever young
And forever youngAnd when you finally fly away
I'll be hoping that I served you well
For all the wisdom of a lifetime
No one can ever tellBut whatever road you choose
I'm right behind you, win or lose
Forever young, forever young
Forever youngAnd forever young
Forever young
